Class 2 Team.

Please continue to read with your child at home. Reading is the key that unlocks all areas of the curriculum.

Reading and Phonics go hand in hand.

"If a child memorises 10 words, the child can only read 10 words.

But if a child learns 10 sounds, the child will be able to read...

350 three sound words

4,320 four sound words

21,650 five sound words."
