Words from the Woods!

Friday 31st January 2025

'From small beginnings come great things'
 The parable of The Mustard Seed. Matthew 13: 31-32

Dear Parents and Carers,

This marks my first newsletter for 2025! I would like to start by welcoming a new family to Cadmore, whose son has joined KS2. I would also like to welcome two new nursery children who have older siblings within the school. It is a pleasure to see that they have settled in well.

To the left of this newsletter is an updated list of upcoming events and holiday dates for your diary.

Thank you to all those who have booked an appointment to meet your child's class teacher on Tuesday, 4th February. You should have received a slip with the time of your appointment. If this has been misplaced, please email the office, and we will let you know the time. If you have not yet registered for an appointment, please contact the school office, as the online registration is now closed.

Attendance and Punctuality – Important Update

As emphasised in my last newsletter, we are working hard as a school to improve attendance and punctuality. While illness is sometimes unavoidable, punctuality is an area that can and should be addressed. Arriving late not only creates unnecessary stress for children but also disrupts the important learning that takes place at the start of the day.

Please note that parents whose children are consistently late or absent will be referred to Buckinghamshire Council and, as a result, may face a fixed penalty notice or, in some cases, prosecution.

To help ensure all pupils are in school by 8:45am, the gates will open just after 8:30 am, with the EYFS doors opening at 8:40 am. The gates will close promptly at 8:45 am. If you have any questions or concerns, please don't hesitate to contact the school office.

Mufti Day

To help raise funds to purchase playground and extra-curricular resources, we will be holding a mufti day on Friday 7th February. Children can wear their own clothes, but please ensure the children wear suitable footwear and that their clothing is suitable for playing outdoors.

Mental Health and Wellbeing

This week, we welcomed the Bucks Mental Health Support Team (MHST) to the school to work alongside us in promoting positive mental health and wellbeing, complementing all the work we do in school. MHST would like to engage with the whole school community and can provide workshops for pupils and parents on topics related to mental health. We invite suggestions for any areas in which you would like support.

MHST also offers personalised interventions to support parents whose children may be experiencing low-level anxiety or behavioural difficulties. Amanda Wendes, our MHST advisor from CAMHS, will be joining our Celebrations Assembly on 28th March to speak to parents about the services and support they can provide.

We have already scheduled class workshops on topics such as promoting resilience, confidence, self-esteem, and transitioning from one class to another.

If you have any ideas for parent workshops or would like to speak to Amanda about how MHST can support you, please email inclusion@cadmoreendschool.org

Music Lessons

The children had the chance to enjoy a free piano taster session, which was a great success! I highly encourage you to sign your child up. Weekly 20-minute lessons are available at £150 per term. If you're interested, please contact Lorraine Tomes directly at lorrainetomes@hotmail.com.

Additionally, Mr. Cookson will be offering 10-minute guitar taster sessions. The cost is the same as piano lessons. To register your child, please contact the school office at office@cadmoreendschool.org.

As always, have a lovely weekend.

Mrs Groom
Headteacher
