

Wave 1

What every child receives at Cadmore End School

All staff responsible for ensuring wave 1 provision is delivered.

Class teacher responsible for ensuring Wave 1 is adjusted as necessary to suit the needs of the children in their class. (through the Buckinghamshire Ordinary Provision

Good quality teaching and assessment in all subject areas and year groups.

Class teacher considers whether additional intervention is needed.

They use class assessments, discussion with SENCO, and parent views on the child's strengths and needs to inform decision.

Wave 2

*If a child is not making appropriate progress or achieving age related levels despite some modifications to Wave 1 support, they may need specific, time bound intervention to overcome their barriers to learning, using **Assess-Plan-Do-Review** approach.*

Assess: Initial Information Form and Initial Screening used to record needs, strengths and planned support as directed by SENCO

Plan and Do: Use Bucks Ordinarily Available Provision Section 1 and/or evidenced based interventions for ideas for supporting needs.

Review: Provision plans used to monitor pupil progress and impact of provision. (Teachers and Trained LSAs)

If progress continues to be slow, class teacher and/or provision lead will consult with SENCO. Child will be moved to SEN Support level in consultation with the child and parents.

Additional, specific assessments may be completed by class teacher, LSA or SENDCo (see next page).

An Individual Pupil Profile that highlights skills, strengths & needs will be completed and shared with the child and parents.

Wave 3

*On-going, specific support to address child's SEN, using **Assess-Plan-Do-Review** approach.*

Child may receive specialist support from outside agencies.

They will have a Individual Pupil Profile that highlights skills, strengths & needs, and has Short Term Outcomes

Class teacher:

- Regularly reviews of the child's Pupil Profile (in liaison with SENDCO).
- Refers to Bucks Ordinarily Available Provision Section 2 for additional information on assessment, support and intervention.
- Ensures that interventions and/or strategies to support the child's needs are recorded on Individual Pupil Profile. Seeks regular feedback from child and parents, and any adults working with the child.
- Meets with parents at least 3 times/year to share SEN documents, and complete **SEN Review Meeting Log**.

SENDCO:

- Monitors and updates Provision Maps and ensures appropriate documents from SEN Support Plan (and other supporting documents) are kept up to date.
- Completes additional assessments if needed
- Liaises with/ refers to outside agencies.
- Requests EHC Plan or High Needs Funding if needed.

At every stage the pupil and parents/carers are kept informed and are involved with decision making.

Graduated approach (assess, plan, do and review).

ASSESS

What you know about the child's difficulties/ skills?
Include discussions with parents, children, staff and other practitioners and use these views as part of assessment.
Use class assessments and observations.
Use other specific assessments to get a full picture.

PLAN

What outcomes will SEN Support achieve?
How will you support this (interventions and strategies).
Ensure parents, pupil and relevant staff are involved in this process.

REVIEW

Evaluation of what you planned and did.
Progress towards the outcomes.
Do any changes need to be made?
Share with parents
If adequate progress is made changes may be required to enable continued progress.
If adequate progress is not made different provision/strategies will be planned, implemented and reviewed again
If you and the professionals who support your child believe s/he requires support which is over and above that ordinarily available from mainstream resources, a request may be made for an outside agency involvement, and, eventually, an EHC Needs Assessment.

DO

The 'who, what when & how'.
Record Interventions on Provision Map. Use Intervention Tracking Sheets.
Record details of what you do on regular basis (strategies).
The class teacher (or equivalent) remains responsible for working with the child/young person on a daily basis, but the SENCO and other supporting staff will monitor the effectiveness of the support.
