

Welcome Back!

We hope you all had a wonderful and restful summer break. We are delighted to welcome everyone back for a new term filled with exciting learning opportunities, creativity and fun.

We have lots of engaging activities and memorable experiences planned for the weeks ahead. Our theme this term is:

'Being Me!'

Through this theme, children will explore their uniqueness, celebrate their strengths and talents, and develop a deeper understanding of themselves and others. We are looking forward to a fantastic term of learning, growing and discovering together!

This term, we will be exploring two highly engaging, high quality texts that will inspire a love of reading and learning. Through regular Book Talk sessions, pupils will develop their comprehension skills by

discussing characters, themes and key events, while making thoughtful predictions about what might happen next. The children will also have many opportunities for creative writing and artistic responses, allowing them to express their ideas and deepen their understanding of the texts in enjoyable and imaginative ways.

We will continue to follow the Maths Mastery approach, helping children to develop a deep understanding of mathematical concepts through practical activities, discussion and problem solving.

This term, Year 1 and Year 2 will be focusing on Place Value, exploring numbers in greater depth and building confidence in recognising, comparing and representing numbers. Children will have opportunities to use a variety of resources and strategies to strengthen their understanding and reasoning skills.

Other subjects.

Science – Animals Including Humans

History – Transport.

RE – Why am I special?

PSHE – VIP's

ICT – Online Safety.

We are looking forward to sharing all the exciting learning, achievements, and special moments that this term will bring.

If you have any questions or concerns please come and speak to us.
