

Spring Term in Early Years...

Dear Parents and Carers,

Happy New Year to you all! We extend a very warm welcome to our new starters in Nursery, we hope your children will be very happy here with us!

Our Topic this half term:

We have a very busy term ahead! We are very excited about exploring our new topic about 'Space' which will of course incorporate the seven areas of learning. The children have already thought of some excellent questions they would like to find out about to do with space! We will be exploring lots of different areas within our space topic from day & night to rockets, planets and astronauts!

This term we will also be taking part in themed weeks such as Bird watch week, Children's mental health week, Science week, and Communication week.

The EYFS Team

For those families who have just joined our Early Years community at Cadmore the following staff members will be working with your children throughout the week.

Mrs Deane - Reception Teacher (Monday and Tuesday)

Miss Atkins - Reception teacher (Wednesday, Thursday and Friday)

Mrs Hazell - Nursery Teacher and Forest School leader (Mornings)

Miss Dani - Nursery Nurse (Afternoons)

Mrs Maughan - Learning Support Assistant (Wednesday and Thursday mornings)

Allergies

A reminder that we do have children in school who have severe nut allergies and therefore we are a **nut free school**. Please do not send your child in with nuts in their lunchbox/for snack.

This includes spreads (peanut butter and Nutella etc). Thank you for your cooperation with this.

Our Week

Please remember **drop off is 8.35- 8:45am** and **collection is 3.15pm**
Nursery morning session collection is at the main door at **11.50am**

Thursday

Reading Books in for Reception and new books sent home. Please ensure the reading book and record are in your child's book bag as we listen to your child read throughout the week and books are only changed once a week. Thank you.

Thursday

Forest School in the afternoon - Please ensure that your child had their waterproof kit in school at all times.

Friday

PE day for Nursery and Reception (Reception need PE kit in at all times)

Library books returned and changed for all children in Nursery and Reception

Clothing:

Please ensure all clothing is clearly named

- A supply of spare clothes- seasonally appropriate please!
- PE kit
- Forest school kit
- Hat, gloves, scarf
- Wellies

Snacks and Drinks:

- Children under 5 are eligible for school milk
- All children can access fruit from school daily
- Please send in a named water bottle daily
- A fruit/vegetable snack

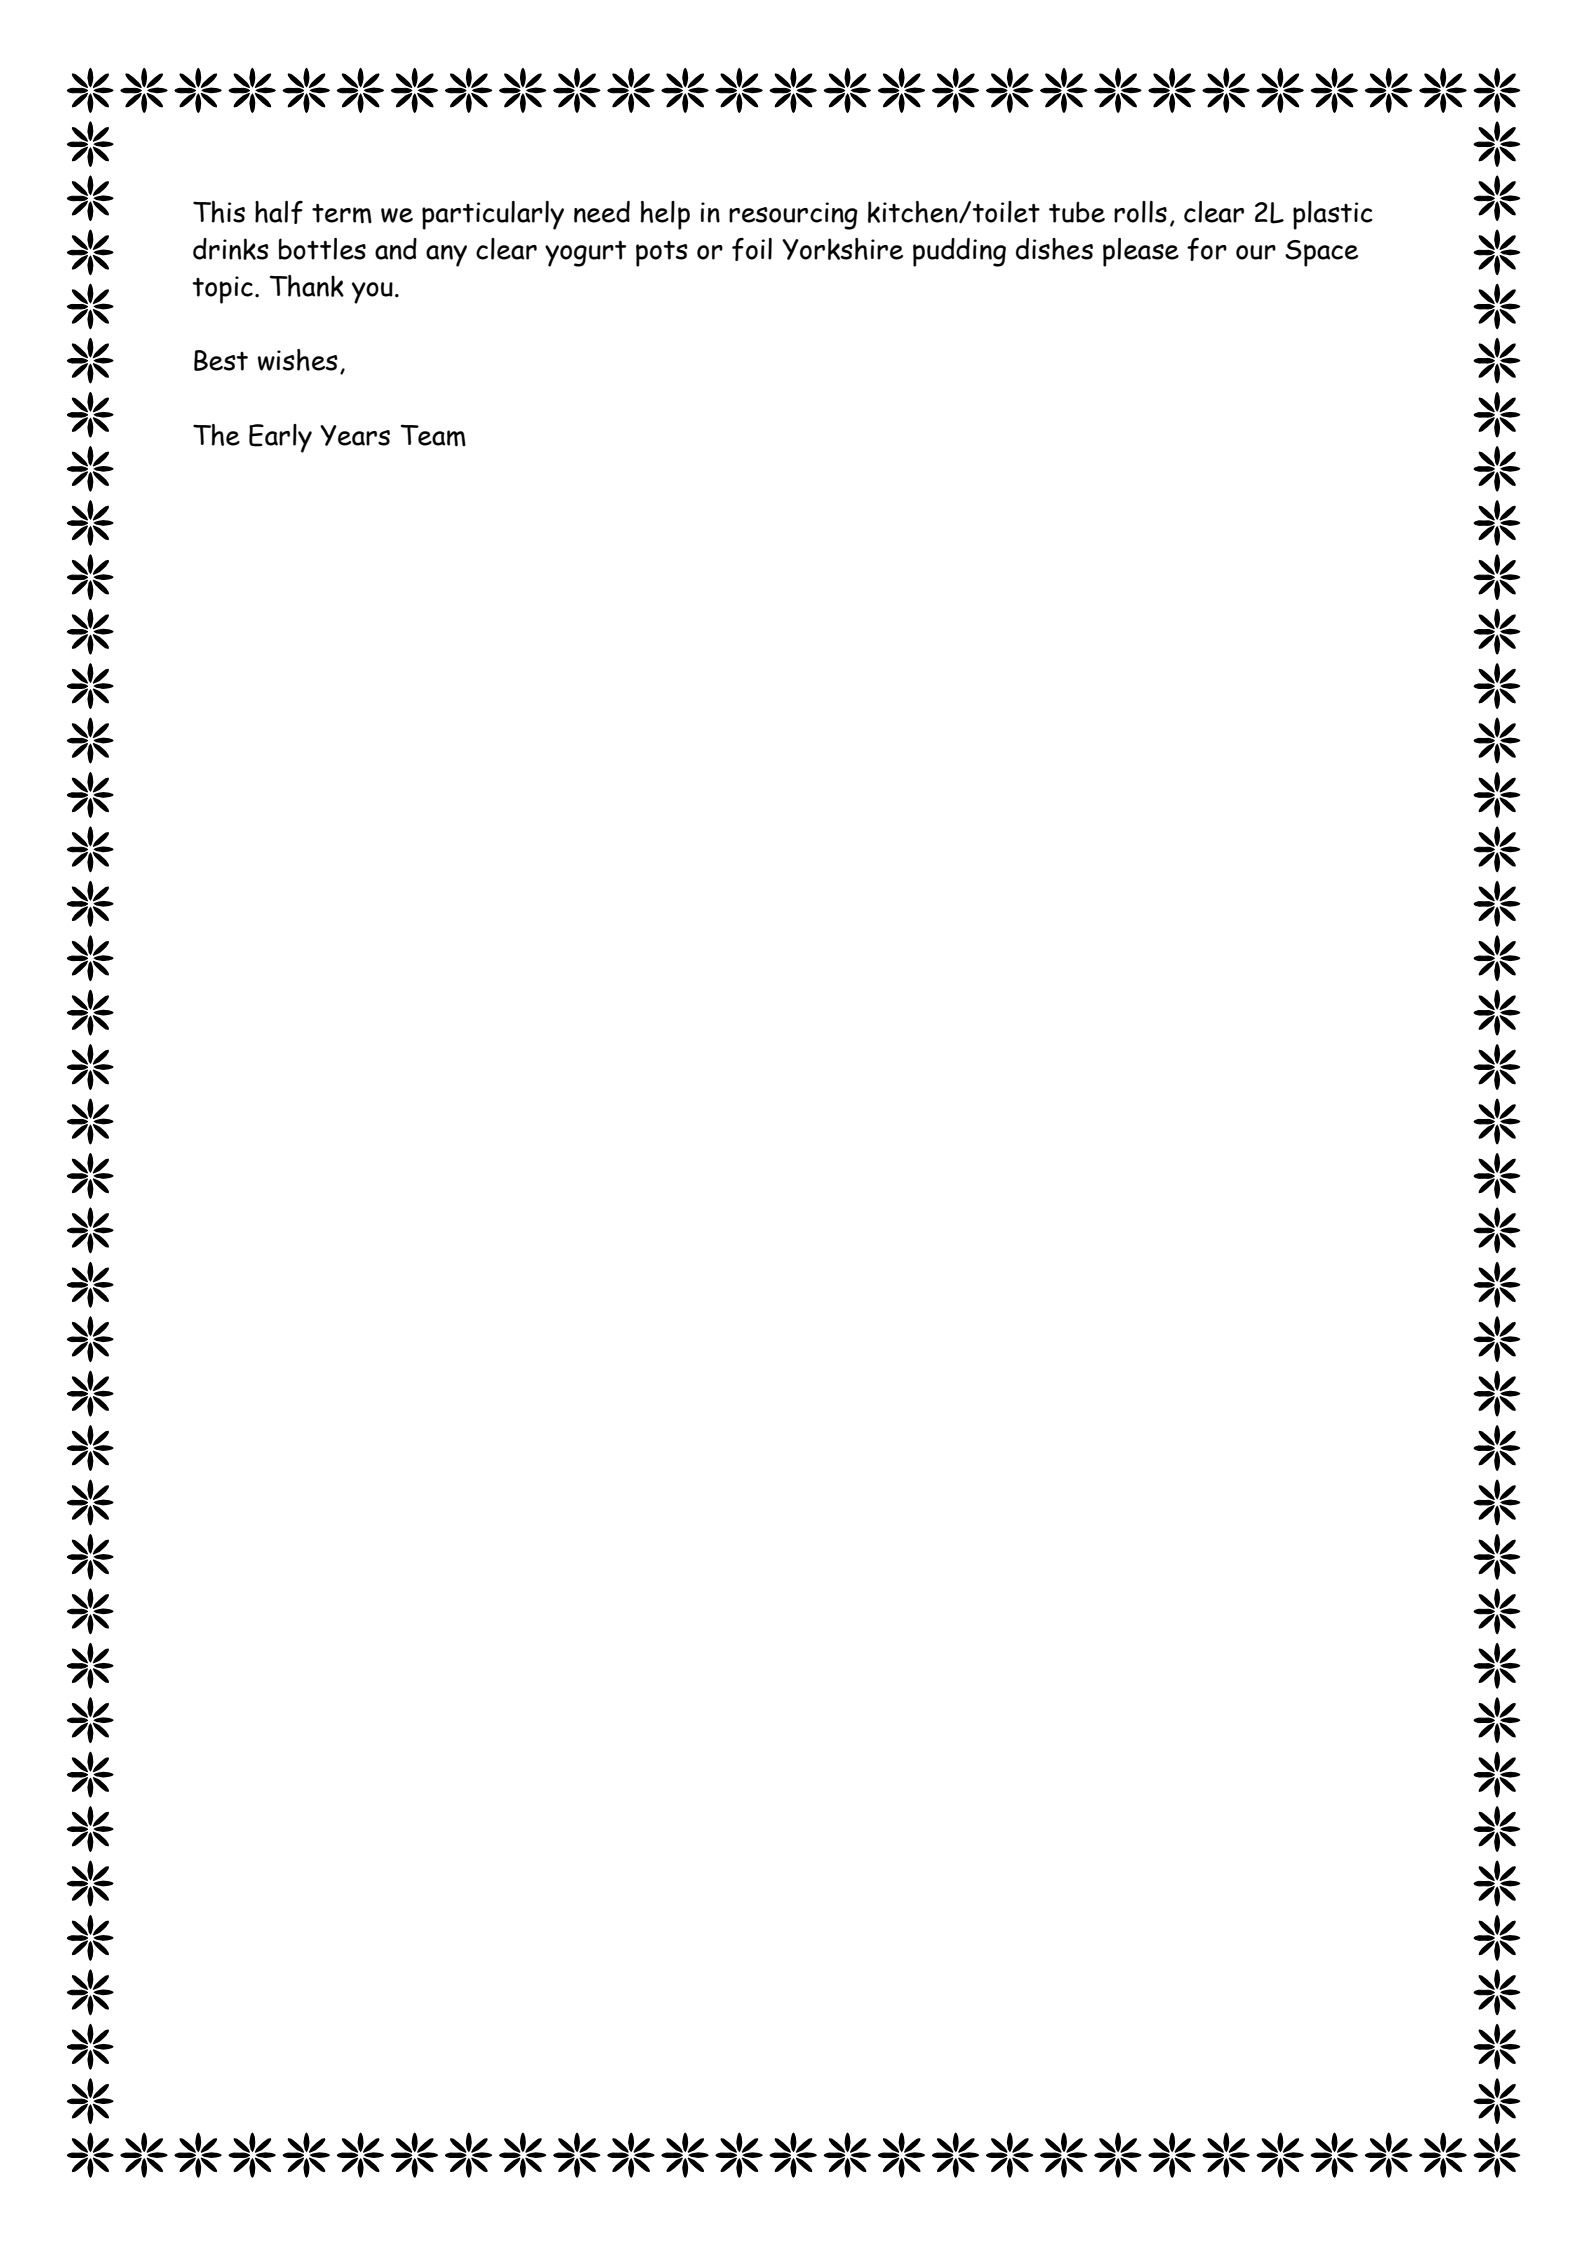

Evidence Me:

Don't forget, you can share WOW moments with us by uploading photos and videos to Evidence Me. The children love sharing this with their friends. It also helps us build up a full picture of your child and interests outside of school. We also use this platform to send videos to you about what we are learning at school with some helpful teaching tips. Look out for these this term!

If you have any questions or concerns please do bring them to our attention so we can work together to help your child get off to the best start.

Junk modelling:

The children love to get creative with their own ideas and bring these to life using empty cereal boxes, yogurt pots, kitchen tube rolls etc. Please feel free to bring in as much recycling as possible, it will always be appreciated!

This half term we particularly need help in resourcing kitchen/toilet tube rolls, clear 2L plastic drinks bottles and any clear yogurt pots or foil Yorkshire pudding dishes please for our Space topic. Thank you.

Best wishes,

The Early Years Team
