calendar on our website,  
which is kept up to date with  
all upcoming events.**

## Words from the Woods!

### Friday 30<sup>th</sup> January 2026

*'From small beginnings come great things'*

*The parable of The Mustard Seed. Matthew 13: 31-32*

Dear Parents and Carers,

A belated Happy New Year and welcome to our first newsletter of 2026! I hope you all had a lovely Christmas and New Year, although I appreciate that it already feels like a distant memory as we settle back into the routines of school life.

The children have returned full of enthusiasm, and it has been a pleasure to see classrooms buzzing with learning once again. Thank you, as always, for your continued support.

#### Road Safety Around School

You may have noticed an increased police presence around the school recently. Thames Valley Police have visited on several occasions to monitor road safety and parking, and they will continue to carry out random checks.

To help keep everyone safe, we kindly ask families to:

- Use the bottom car park or the parking spaces adjacent to the school where possible
- Avoid stopping or parking at the bus stop at any time
- Please refrain from using the staff car park
- Avoid parking on the road directly outside the school

Your consideration for other road users, local residents and, most importantly, the safety of our children is greatly appreciated.

Separately, our Chair of Governors is actively liaising with Buckinghamshire Council, the Highways Agency and Thames Valley Police regarding the current situation outside school. The 40mph speed limit on the road is not ideal for a school environment, and we continue to press for improvements.

**Love**

**Faith**

**Courage**

**Honesty**

**Respect**

**Empathy**

I would also like to acknowledge how carefully families manage crossing the road each day. Teaching children to be vigilant and road-aware are valuable life skills, and your ongoing support with this is very much appreciated.

### **Online Safety and Communication**

We would like to remind parents, particularly of our older children, about the importance of closely monitoring online activity, including the use of chat platforms and communication within online games.

We are seeing an increase in disagreements that begin online and then spill over into school. This is not an isolated issue and is something many schools are currently experiencing nationally, with wider coverage in the media.

We ask that parents regularly check devices, talk with children about appropriate online behaviour, and remind them that the same expectations for kindness and respect apply online as they do face-to-face.

Thank you for your support in helping us keep children safe and happy both in and out of school.

### **Parent and Teacher Consultations**

Parent and teacher consultations will take place on Tuesday 17th March and Wednesday 18th March.

A booking link will be sent out in the week commencing 2nd March.

As always, we operate an open-door policy. If you need to speak to your child's class teacher before then, please do not hesitate to contact the school office to arrange this.

As always, I hope you all have a lovely weekend.

Kind regards  
Mrs Groom  
Headteacher
