MESSAGE FROM MRS GROOM

Dear Parents and Carers

Welcome to the first newsletter of the new academic year. I would especially like to welcome all the children and families who have recently joined our Cadmore End community. We hope you are already beginning to feel at home and part of our school family.

You may notice that our newsletter has a fresh new design. We hope it will make our school news, celebrations, important dates and reminders even easier to find and enjoy.

This morning, we held our first Celebration Assembly of the year, followed by our Macmillan Coffee Morning. It was lovely to welcome parents and carers into school and to begin the year by celebrating the children's achievements together. Thank you to everyone who joined us and contributed; we raised £30 for Macmillan Cancer Support.

We are looking forward to another busy and exciting year at Cadmore End.

THIS MONTH AT CADMORE END

LEARNING HIGHLIGHT

It has been lovely to see the children settling back into school and getting into the rhythm of learning. Across the school, they have been sharing ideas, asking questions and building their confidence as they begin new topics. In future newsletters, we'll use this space to give you a closer look at what each class has been learning.

SCHOOL LIFE

The children have been making the most of our new climbing trim trail and playground markings. It has been lovely to see them balancing, climbing and inventing games together at playtime. The new additions have brought plenty of excitement to the playground!

CLASSROOM SPOTLIGHT – Class 1

It has been lovely to see our nursery children taking their next steps into Reception and to welcome new children into Class 1. The children are getting to know one another, settling into their routines and enjoying learning and playing together.

HELPING AT HOME – Reading Together

Reading together regularly is one of the most valuable ways to support your child's learning. Even ten minutes a day makes a difference. Younger children benefit from hearing stories and talking about the pictures, while older children can read aloud or chat with you about what they are reading. The important thing is to make it an enjoyable part of your routine.

FOREST SCHOOL AND ENRICHMENT

Our clubs and school choir are up and running again, giving children opportunities to enjoy their interests and spend time together. Forest School sessions are also well underway, with children continuing to explore their classroom learning through practical activities outdoors.

COMMUNITY NEWS

Thank you to everyone who joined us for our Macmillan Coffee Morning after Celebration Assembly. It was lovely to welcome families into school and spend time together. Thanks to your generosity, we raised £30 for Macmillan Cancer Support.
