

Summer Term in Class 1...

Dear Parents and Carers,

We hope you all had a lovely break over the Easter holidays! Let's hope this sunny weather continues. This term we will be building on the key skills in the 7 areas of the EYFS framework and working on individual targets that were shared with you at the parent and teacher meetings. We have a jam packed fun term planned. We are going to be focusing on life cycles of plants and animals. We will also be celebrating the King's coronation and learning more about the Royal family. Please see our weekly curriculum letter for more details throughout the term.

Here are some key messages and reminders as we embark on your child's the final term in Reception or for some their final term in Nursery. If you need any clarification or support, please do not hesitate to contact us.

The FYFS Team

Milk and fruit will continue to be available each day. If you would like to supplement this morning snack with some fresh fruit or vegetables that you know your child would prefer then please send this into school in a named container.

The children will need a clearly **named water bottle** in school **each day**. We have regular drink stops and refill your child's bottle as required.

Summer clothing and sun safety- as the weather gets warmer please ensure your child has a named sunhat in school daily and that sun cream has been applied before school. We cannot assist the children to apply sun cream during the day. Hats can be left in the 'sun hat box' if you would prefer your child to leave one hat at school.

Spare clothes -Please remember to provide your child with spare underwear and trousers/shorts and replenish if used. Please make sure spares are seasonally appropriate ☺

Just a reminder...

Mrs Deane will be teaching on Mondays and Tuesdays and **Mrs Dawkins** will continue to teach on Wednesday, Thursdays and Fridays. **Mrs Hazell** will be teaching in nursery each morning, and **Miss Dani** will be teaching nursery in the afternoons. **Mrs Maughan** continues to work with us most days too!

Wednesday: Reading Books will be changed - *Please check that you have signed your child's yellow reading record to ensure their books are changed. They will be given 2 books for the week.*

Thursday: PE Day- please ensure all PE kit is in the bags (which stays at school).

We also visit the Library and children take home a book. Not many children returned their library books last half term and they were disappointed when they couldn't change it. Please make sure it is in your child's book bag on Thursdays.

Friday: The children will have their Forest School session in the afternoon - *Please ensure that your child has their waterproof kit, waterproof gloves, a warm change of clothes and extra socks in school at all times.*

Home Learning- Reception only

We will be revamping the reading sticker charts this term to encourage that love of reading!

The children each have a new sticker chart inside their reading record and will earn a sticker each time they read at home. A full chart will mean a certificate and a prize!

Please continue practicing the tricky words from the mats given at parents evening, and the sound flashcards at home each week.

Evidence Me

We had **great response** to the Parent Share feature last term and we would like to continue to use this as a means of communication between home and school.

Please continue to add photos/videos of your children's learning and development at home or to share those 'WOW' moments.

We will also be sharing any key learning observations with you via Evidence Me weekly to give you an insight into your child's learning and development at school.
