

SNOW
DAY!

Good Morning Class 3!

Happy Snow Day!

I hope you are able to wrap up warm today and get outside to enjoy the snow!

Here are some snowy activities for you to have a go at.

Snowball Target Practice

How many snowballs can you make?

Find a sensible target or have a snowball competition with a friend.
Create a tally chart to show how many snowballs hit the target.

Can you display the results in a bar chart?

Snow Creation Competition

Who can build the most creative snowman, lady, person or animal?

Take a photo of you with your creation and email it to:

office@cadmoreendschool.org

Do you
want to
build a
snowman?

Let's Write

Look out of your window or stand outside in the snow.

What can you see, smell, hear, taste and touch?

Write a snowy story starting with the line: *One snowy day...*

Snow Art

Create a snowy scene picture using materials you have available at home.

Or even better create a piece of art in the snow.

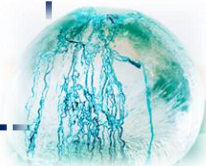

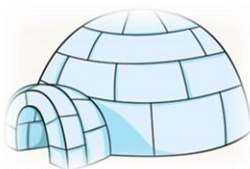

Science Fun

Can you become a snow scientist?

Have a go at one of these STEM snow experiments.

STEM Activities

I am looking forward to hearing all about your snowy adventures.

Please take some photos and ask your grown-ups to email them across to me at:

office@cadmoreendschool.org
